

There's A Kind Of Hush

There's a kind of hush... all over the world... tonight
All over the world, you can hear the sound,
of lovers in love... You know what I mean

Just the two of us... and nobody else... in sight
There's nobody else and I'm feeling good
Just holding you tight

So listen very carefully
Get closer now & you will see what I mean... It isn't a dream
The only sound that you will hear is when I whisper in your ear
I love you... For ever and ever

There's a kind of hush... all over the world... tonight
All over the world, people just like us, are falling in love

Instrumental as verse

So listen very carefully
Get closer now & you will see what I mean... It isn't a dream
The only sound that you will hear is when I whisper in your ear
I love you... For ever and ever

There's a kind of hush... all over the world... tonight
All over the world, people just like us, are falling in love
are falling in love
are falling in love
are falling in love
