

Only You

Looking from a window above, it's like a story of love
Can you hear me
Came back only yesterday, I'm moving further away
Want you near me

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Sometimes when I think of your name, when it's only a game
And I need you
Listen to the words that you say, It's getting harder to stay
When I see you

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

Interlude

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

This is gonna take a long time, and I wonder what's mine
Can't take no more
Wonder if you'll understand, it's just the touch of your hand
Behind a closed door

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
