

From Now On

I saw the sun begin to dim, and felt that winter wind, blow cold
A man learns who's there for him, when the glitter fades & the walls won't hold
'Cos from then rubble, one remains, can only be what's true
If all was lost, there's more I gained, cos it led me back... to you

From now on... These eyes will not be blinded by the lights
From now on... What's waited 'til tomorrow starts tonight. Starts tonight
Let this promise in me start... Like an anthem in my heart
From now on... From now on

I drank champagne with kings and queens, the politicians praised my name
But those are someone else's dreams, the pitfalls of the man I became
For years and years I chased their cheers
the crazy speed of always needing more
But when I stop... And see you here... I remember who all this was for

And from now on, these eyes will not be blinded by the lights
From now on, what's waited 'til tomorrow starts tonight. It starts tonight
Let this promise in me start... Like an anthem in my heart
From now on... From now on...

And we will come back home. And we will come back home... Home, again!
And we will come back home. And we will come back home... Home, again!
And we will come back home. And we will come back home... Home, again!

And we will come back home. And we will come back home... Home, again!
And we will come back home. And we will come back home... Home, again!
And we will come back home. And we will come back home... Home, again!

And from now on, these eyes will not be blinded by the lights
From now on, what's waited 'til tomorrow starts tonight. It starts tonight
Let this promise in me start... Like an anthem in my heart
From now on... From now on...

And we will come back home. And we will come back home... Home, again!
And we will come back home. And we will come back home... Home, again!
And we will come back home. And we will come back home... Home, again!
